 - d. any fear or threat of a), b) or c) above.
 Other than associated medical expenses.
- This policy is not suitable for persons seeking coverage for losses arising from the policy exclusions listed within the PDS.

Distribution of this product

This product is designed to be distributed by insurance brokers and their representatives that hold an Australian Financial Services Licence. Only these parties are authorised to distribute this product as they understand the market this product has been designed for.

AHI and TMNF will make risk-based decisions to determine its acceptance criteria about insurance cover that they can offer and the costing that will be applied. Some of the key acceptance criteria relating to this target market determination may include:

- Age of Insured Persons
- Occupation of Insured Persons
- Activities undertaken during the cover period
- Previous claims experience for this type of risk
- Risk location
- The Benefits and Sum Insured required

The cost of the Policy is made up of premium, administration fees and government taxes (such as Goods & Services Tax [GST] and Stamp Duty), where applicable.

Reviewing this document

AHI and TMNF will review this TMD within 2 years from the effective date to ensure it remains appropriate.

AHI and TMNF will also review this TMD if any event or circumstances (called 'review triggers') occur that would reasonably suggest that the determination is no longer appropriate, such as:

- AHI make a material change to the cover provided by the product,
- A change in the acceptance criteria that impacts on the suitability of the product for the target market,
- A material change to the distribution of the product,
- The discovery of a relevant and material deficiency in the product's disclosure documentation (eg: an unfair contract term),
- Systemic complaints and claims issues which indicate that the product is no longer suitable for the described target market,
- Material and relevant reductions in the key product suitability metrics such as:
 - Customer satisfaction,
 - Product acceptance,
 - Financial performance,
 - Benefits to customers,
 - Product value and affordability.
- Significant dealing/s in the product outside the target market as defined in this TMD.

AHI and TMNF will review this TMD within ten (10) business days of the occurrence of any review trigger.

Reporting

AHI and TMNF will record all complaints received about this product on a monthly basis (Complaints Reporting Period). All staff and representatives are required to provide regular

and incident-based reporting on key metrics (see the heading "Reviewing this document") to allow AHI and TMNF to review this TMD.

AHI and TMNF also review sales data including number of policies issued, renewed and cancelled on a monthly basis.

Record Keeping

AHI and TMNF will maintain records of the reasonable steps they have taken to ensure that this product is sold in a manner consistent with this TMD.

AHI and TMNF will also prepare and maintain complete and accurate records of our decisions, and the reasons for those decisions, in relation to:

- All target market determinations for this product,
- Identifying and tracking review triggers,
- Setting review periods, and
- The matters documented in this TMD.
